

# 2025 PROPOSED RATES: UNDERSTANDING YOUR BILL

Your water bill is comprised of six charges. Proposed increases on your 2025 rates include:

- 1 **Water usage: +11%** - Your charge for water based on gallons of water used multiplied by the water rate.
- 2 **Service Availability: +5%** - A fixed fee that covers costs to provide service to customers. Includes cost of customer service, repair and replacement of major equipment, and fixed cost of interest payments on debt related to construction.
- 3 **Wastewater: +5% variable, 0% fixed** - A combination of a fixed fee plus wintertime usage. Covers cost of operations, maintenance, debt service, customer service, and repair and replacement of equipment.
- 4 **\*Stormwater: 0%** - Cost of design, construction and maintenance of stormwater facilities.
- 5 **\*Street Light: 0%** - A fixed fee to recover the costs of operations and maintenance for street lights paid to Xcel Energy.
- 6 **Infrastructure Improvement Fee: 0%** - A fixed fee designed to ensure the district can fund future infrastructure projects to provide the community with safe drinking water and reliable wastewater service.

Overall average residential customer 6% increase							
TOTAL AMOUNT DUE: \$1,286/annually							
Your Auto Payment is scheduled for 11/09/2024							TOTAL AMOUNT DUE

\*The stormwater and street light fees are charges on the water bill that are passed through to the Highlands Ranch Metro District.

Centennial Water has one of the lowest rates in our region. The estimated annual water and wastewater bill for a typical single family residence will be **\$1,286**.

\*Amounts reflect average annual bill. Amount does not include stormwater and street light fees.
